FREQUENTLY ASKED QUESTIONS

How do I become a member of the Carleton University Alumni Association (CUAA)?

Membership in the CUAA is free. All Carleton University students automatically become members of CUAA upon graduation and you don't need to do anything in order to join. Students who have completed five full credits but are no longer registered at Carleton may also become members as alumnus non-graduates upon request. Once you become a Carleton alumnus, all benefits carry throughout your journey and are accessible whenever you need them.

What are the perks available to me as a CUAA member?

Carleton graduates have access to a wide variety of great rates, products, benefits and services. Around campus, you can enjoy professional programs through Sprott, merchandise discounts at the Carleton University Bookstore, MacOdrum Library borrowing privileges, career counselling, and more. Our affinity partners offer services such as the MBNA MasterCard and VIA Rail travel discounts.

For any perks that do require proof, you can order an ID card by sending an email to cu_proud@carleton.ca with your name, student ID# (if known), date of birth and your current mailing address. Volunteers play a vital role in supporting the interests and advancement of the Carleton University Alumni Association and the university. Within the CUAA, there are positions available on the National Executive Council or with chapters and affiliates.
